REMINDERS FOR SPRING 2024 COURSES

Requesting Late Adds for Independent Study Courses

Departments that need to request a late add for an undergraduate independent study course (**courses ending in *93, *95, *96, and senior honors thesis courses numbered 691H-694H**), should fill out the [independent study late add request form](#) on the OUC website. Departments must provide a completed and signed learning contract, a completed Add/Drop form, and a rationale for why the student could not be enrolled prior to the deadline. For more information, please contact [Hannah Summers](#).

Syllabus Guidelines

Instructors are encouraged to review the [Office of Undergraduate Curricula's syllabus guidelines](#) when preparing their spring semester undergraduate course syllabi. Instructors are also encouraged to utilize the [Syllabus Template](#), which contains all the syllabus elements outlined in the OUC syllabus guidelines. Instructors should consider the following when creating their spring 2024 syllabi:

- Undergraduate courses, including first-year seminars, should include a **final exam or alternative final assessment** and utilize the final exam period. Courses with one hour of academic credit may administer their final assessment during the last class period; all others must follow the published Final Examination Schedule ([UPM #8](#)).
- Instructors should include course-specific goals/learning objectives/outcomes in the course syllabus. Courses fulfilling one or more **IDEAs in Action Gen Ed requirements** should also include the exact [Student Learning Outcomes \(SLOs\) and Questions for Students](#), for each associated Gen Ed.
- Consider including a **Campus Life Experience (CLE)** as an assignment or activity in your course. Read more about CLEs in the memo section below.
- Consider leaving time in the course calendar for students to complete the **Student Evaluations of Teaching (SET)** survey at the end of the semester.
- Don't forget to include important **instructor and course identifiers**, including a reference to UNC-Chapel Hill, the current term and year, any associated requisites, target audience, and office hours (at least 3 hours per week for a standard 3-credit course)!

NEW for Spring 2024: Per the recommendations set forth by the [UNC AI Committee](#), faculty may provide this [Student AI Usage Guidance](#) in their syllabus. Unless the instructor has other guidance they prefer to use, the UNC AI Committee recommends including this guidance to students on the first day of class. See the Spring 2024 Syllabus Policy Inserts sample statements (see section below for more information). **College only – An AI Use Policy is required on all undergraduate syllabi in the College of Arts & Sciences.**

Syllabus Policy Inserts

Instructors are encouraged to utilize the Spring 2024 Policy Insert when preparing their spring semester undergraduate course syllabi. Effective from spring 2024, forward, the insert will include only the required policy statements. The policy insert is a quick and easy way to make sure your students receive the information they need. Word and PDF versions are available for download on the [Office of Undergraduate Curricula website](#).

Campus Life Experiences (CLEs): Advertise your Department

Campus Life Experience (CLE) is supported by Student Affairs and collaborates with IDEAs to help students experience the co-curricular elements of UNC's campus and integrate these experiences with their learning at Carolina. Students must complete 2 CLE events for every fall/spring term of full-time enrollment or 1 CLE event for every fall/spring term of part-time enrollment. Only CLE events submitted and approved in Heel Life will count for a student. Both student organizations and faculty and staff will be able to create events and request that they be reviewed to count as a CLE. Please visit the [Campus Life Experiences](#) website for more information.

STUDENT EVALUATIONS OF TEACHING (SET):

SET Updates for Spring 2024

Selection of courses for Spring 2024 begins March 4, 2024, and the full College SET Schedule is available [on our website](#). If there are any staffing changes in your department that may require updated SET user permissions, please use the form on our website on the [Departmental Contacts](#) page to submit change requests. You can also check all users with SET access while you're there (keep in mind chairs automatically have reporting access so that won't be listed unless they also have coordinator access, but you can still use the form to alert us to a mid-year chair change as needed). It is helpful if you can include the following notes for new users: who they are replacing (if anyone) or what vacant role they are filling. You can find most information about SET processes on the website. Questions can be directed to cas_evalautions@unc.edu.

ONLINE LEARNING CONTRACT MANAGER:

2023-2024 OLCM User Survey

The Office of Undergraduate Curricula invites all Online Learning Contract Manager (OLCM) users (students, instructors, OLCM Coordinators, and OLCM Schedulers) to complete the [2023-2024 OLCM User Survey](#) to provide feedback about your experience with OLCM during the fall 2023 and/or spring 2024 semesters. The survey will close on Friday, March 1st at the end of the day. We appreciate your responses and feedback!

All survey responses are anonymous. You may access the 2023-2024 OLCM User Survey via [direct link](#), or by copying and pasting the following link in your browser:
